

# **Smart City Education Portal**

## **Software Requirements Specification (SRS)**

Client: Next Gen School & Smart City Hostel, Jauharabad

Developer: Muhammad Idrees

Date: January 2026

# Table of Contents

- 1. Introduction
- 2. Overall Description
- 3. Functional Requirements (FRs)
- 4. Non-Functional Requirements (NFRs)
- 5. System Architecture
- 6. Database Design
- 7. Deployment & Hosting
- 8. Timeline
- 9. Appendices

# 1. Introduction

## 1.1 Purpose

Develop a centralized digital platform for school & hostel operations, including admissions, hostel bookings, notices, and AI-driven Smart Fee Reminders.

## 1.2 Scope

- Public website (school + hostel info)
- Admin panel with dashboards & management tools
- AI Smart Fee Reminder generator
- Responsive & mobile-friendly
- Free-tier deployment (Vercel + Render)

## 1.3 Definitions, Acronyms, Abbreviations

SRS: Software Requirements Specification

AI: Artificial Intelligence

UI: User Interface

DB: Database

Admin: System administrator

PWA: Progressive Web App
